2. * Astronomy Coach's Manual on CD Contains more than 25 activities and investigations and over 200 pages of text, images & movies, all on an easy to use interactive CD - primary use for Div. C.	(NEW for 2011) ASCD	\$16.00	x	=
3. * Audubon Night Sky An excellent guide to constellation characteristics and identification.	(Revised 2006) SKY	\$16.00	x	=
4. * Audubon Rock and Mineral An excellent guide to R & M characteristics and identification.	(Revised 2006) ROC	\$16.00	x	=
5. * Audubon Weather (Meteorology) An excellent guide to meteorology.	(Revised 2006) WEA	\$16.00	x	=
6. * Awesome Aquifers DVD Excellent examples at various tournaments	(Revised 2007) AWD	\$16.00	x	=
7. Balloon Launched Glider Video Excellent examples of various devices.	(Revised 2008) BLD	\$16.00	x	=
8. * Battery Buggy/Electric Veh DVD Formerly Electric Vehicle. Excellent examples of various devices.	(Revised 2009) EVD	\$16.00	x	=
9. * Bio/Earth SCI CD Contains lessons & sample tests for most Bio/Earth Science events: Fossils, Dynamic Planet/Earth's Fresh Water, Road Scholar, Solar System, Meteorology, Ornithology, Ecology, Disease Detectives, Microbe Mission, Anatomy & Physiology (Disease Detective/Remote/Fossils/Microbe also on separate detailed CDs)	(NEW for 2011) BECD	\$16.00	x	=
10. Bio-Process CD Includes lessons and tests to help you master this event (same as manual).	(Revised 2010) BICD	\$16.00	x	=
11. Bio-Process Manual Includes lessons and tests to help you master this event.	(Revised 2008) BIO	\$16.00	x	=
12. * Birds of North America (Peterson Guide) An excellent guide to Western/Eastern Bird characteristics and Identification. (Ed. 08)	(Revised 2008) BIRD	\$20.00	x	=
13. Boomilever Video Excellent examples of various devices.	(Revised 2008) BMD	\$16.00	x	=
14. * Bottle Rocket Video/Egg-O-Naut Lessons for Bottle Rocket construction that also has excellent video from Augusta for Egg-O-Naut.	(Revised 2010) BOD	\$16.00	x	=
15. Cell Biology CD Includes background information and sample tests to help you master this event.	(Revised 2010) CLCD	\$16.00	x	=
16. * Chem/Phy Sci CD Contains power point lessons, short movie clips for most Chem/Phy Sci events: Wind, Chem Lab, Forensics, Crime Busters, Shock Value, Protein Modeling, Can't Judge a Powder, Optics, Storm the Castle, Sounds of Music & How to Start a Team (Sci Cr Busters & Forensics also on a separate detailed CD)	(NEW for 2011) CPCD	\$16.00	x	=
17. * Disease Detective Contains lessons and info for Disease Detective.	(NEW for 2011) DDCD	\$16.00	x	=
18. Elevated Bridge/Br Building Video Excellent examples of various winning devices - good background for Elevated Bridge and all Bridges.	(Revised 2010) BRD	\$16.00	x	=
19. * Experimental Design CD Same as manual plus many training resources.	(Revised 2010) EXCD	\$16.00	x	=
20. * Experimental Design Manual Includes lessons to help you master this event.	(Revised 2004) EXP	\$16.00	x	=
21. * Forensics CD Includes lab investigations on identifying solids, liquids & metals, chromatography, matching fingerprints, crime scene evidence & analysis & a sample test.	(Revised 2011) FRCD	\$16.00	x	=
22. * Fossils CD Includes lessons and sample tests on fossils to help you prepare for the event.	(Revised 2010) FOCD	\$16.00	x	=
23. * Fossils Smithsonian Handbook An excellent guide to Fossil characteristics and identification.	(Revised 2009) FOS	\$16.00	x	=
24. * Helicopters DVD Excellent examples of various devices from Champaign National	(NEW for 2011) HED	\$16.00	x	=
25. Its About Time Excellent examples of various devices from Augusta national finals.	(Revised 2010) TIMD	\$16.00	x	=
26. * Microbe Mission Contains lessons and info for Microbe Mission	(NEW for 2011) MMCD	\$16.00	x	=
27. * Mission Possible Video Excellent examples of various devices.	(Revised 2006) MPD	\$16.00	x	=

Item Description (* indicates items relevant to 2011 events)	Item #	Price	Qty	Total
28. * Mousetrap Vehicle DVD (NEW for 2011) Excellent examples of various devices from Augusta national finals including new out-and-back version.	MVD	\$16.00	x =	
29. * NSOFinals Video DVD (Revised 2010) 2005-2010 Contents: Numerous events from the last 5-6 years-ten min. each B/C musical intro/overview	NSOD	\$16.00	x =	
30. * Problem Solving/Technology CD (NEW for 2011) Contains lessons and info for Mousetrap Vehicle, Bottle Rocket, Junkyard Challenge, Exp Design, Write It Do It, Towers, Battery Buggy, Mission Possible, Compute This, Helicopter Duration, Awesome Aquifer, and SumoBot.	PTCD	\$16.00	x =	
31. * Reach for the Stars Manual (Revised 2004) Includes manual with lessons and constellation charts to help you prepare for this event.	STAR	\$16.00	x =	
32. * Remote Sensing CD (NEW for 2011) Activities include using remote sensing images to determine the causes and consequences of human impact on the environment focusing on Forest Biomes.	RSCD	\$16.00	x =	
33. * Road Scholars-Map Reading Manual (Revised 2005) Includes USGS Topographic & Highway maps, symbol sheet, and lessons on most RS topics.	RS	\$20.00	x =	
34. Robo-Cross Video DVD (Revised 2009) Excellent examples of various devices.	RCD	\$16.00	x =	
35. Robot Ramble Video DVD (Revised 2007) Excellent examples of various devices.	RRD	\$16.00	x =	
36. * Rock, Mineral & Fossil Guide (Revised 1994) Has lessons on identification with flow charts to help students understand the properties of sedimentary, igneous, and metamorphic rocks and minerals.	RM	\$16.00	x =	
37. * Science Crime Busters CD (NEW for 2011) For novice chemistry coaches who need to "see" the proper reactions of all the chemical species and their reagents. Completely different from manual.	CB CD	\$16.00	x =	
38. * Science Crime Busters Manual (Revised 2004) Includes lab investigations on identifying solids, liquids & metals, chromatography, matching fingerprints, crime scene evidence & analysis & a sample test.	NCB	\$16.00	x =	
39. Scrambler Video DVD (Revised 2008) Video footage from 07 national finals, plus original Boulder CO (89) with GTE Scrambler bonus with Peter Graves!	SCD	\$16.00	x =	
40. Simple Machines Lesson Video (Revised 2008) 56 min. with national supervisor Charles Gosselin and video footage from 07 national finals.	SMD	\$16.00	x =	
41. * Sounds of Music Video (Revised 2008) Excellent examples of various devices from many tournaments.	SOMD	\$16.00	x =	
42. * Storm the Castle Video (Revised 2006) Excellent examples of various devices from many tournaments.	STM	\$16.00	x =	
43. * Sumo Bot DVD (NEW for 2011) Excellent examples of various devices from 2010 National Tournament	SUMD	\$16.00	x =	
44. * Towers Video (Revised 2008) 94-98-06-07 Excellent examples of various devices.	TWRD	\$16.00	x =	
45. Trajectory Video (Revised 2009) Excellent examples of various devices from many tournaments.	TRAD	\$16.00	x =	
46. Wheeled Vehicle Video (Revised 2007) Excellent examples of various devices.	WVD	\$16.00	x =	
47. * Wind Power Video (NEW for 2011) Excellent examples of various devices and sample national test.	WIND	\$16.00	x =	
48. Wright Stuff Video (Revised 2006) Excellent examples of various devices from many tournaments.	PROD	\$16.00	x =	
RULES MANUALS				
Science Olympiad Rules Manuals may be used in the classroom but may not be used in any competition unless all participating teams are members of Science Olympiad, Inc.				
49. * Rules Manual- Division B (NEW for 2011) Contains Rules for all 23 Div. B Events (replaces Student and Coaches Manuals). Quantity Discount for 15 or more copies of Rules Manual - Division B	B B (15+)	\$8.00 \$ 5.00	x = x =	(use next line for qty of 15+)
50. * Rules Manual- Division C (NEW for 2011) Contains Rules for all 23 Div. C Events (replaces Student and Coaches Manuals). Quantity Discount for 15 or more copies of Rules Manual - Division C.	C C (15+)	\$8.00 \$ 5.00	x = x =	(use next line for qty of 15+)
